RIVER PLACE, Austin, TX

Step inside this River Place retreat, nestled on a quiet cul-de-sac street and set back on a beautiful lot with towering live oak trees. Outside, a welcoming elevation boasting a mix of oversized windows and an exterior covered in classic brick unite to create beautiful curb appeal. Inside, a two-story foyer and elegant wood staircase make a grand first impression. A formal Study, which can easily be converted to a mother-in-law suite with an existing door behind the drywall, and a formal Dining Room are nicely situated off the foyer and lend the spaces needed for a private home office and space for hosting. The living room has classic charm with a cozy fireplace, built-ins, warm-toned wood floors, and is surrounded by large windows overlooking the lush and large backyard. Seamlessly flowing behind it, the "chef" of the family will surely appreciate this Kitchen with a gas cooktop, warm-toned granite counters, stainless steel appliances, cabinets galore, and large windows filtering in views and loads of natural light. A large primary suite with a tray ceiling and on-suite bath with a separate shower and garden tub nicely finish off the main floor. Upstairs, a Texas-sized Game Room and three large secondary bedrooms are thoughtfully designed to ensure there is no wasted space! The backyard is noticeably great in size and offers a beautiful backdrop for building memories with loved ones. Love where you live and enjoy all that River Place has to offer, including acclaimed schools. With its nature

trails, parks, lake, and optional country club, you'll have access to golf, tennis, dining, a pool and more! Be sure to check out the 3D tour link and schedule your showing today. Don't miss this chance to own a stunning and classic home in one of Austin's most desired neighborhoods!

Built in 1997
