Goodnight Ranch Ph 1 Sec 2, Austin, TX

On a corner lot in Goodnight Ranch, this two-story home gives you space where you want it and simplicity where you need it. The front living room is bright and open, making it the first spot youâ€™ll want to sink into after a long day. From the foyer, the home draws you into the kitchen; a workhorse of a space with granite counters, stainless appliances, and a center island with a breakfast bar that doubles as the place everyone ends up. Storage isnâ€™t an afterthought here; cabinets line the walls and keep the clutter out of sight. Just beyond, the dining area anchors the back of the home, with abundant natural light and plenty of space for an ample sized table. The primary suite stays tucked on the main level, a private corner of the house with room to breathe. The ensuite bath checks off the everyday essentials; separate vanities, step-in shower, and a walk-in closet that will house all of your clothing and accessories. Upstairs shifts the vibe with a game room that leads straight onto a private balcony. Itâ€™s the kind of bonus you didnâ€™t know you needed until you picture coffee out there in the morning or unwinding as the day winds down. Three more bedrooms and a full bath fill out the level, ready to flex however your life demands. Out back, the yard trades hours of upkeep for xeriscaping that keeps things simple. Itâ€™s low effort without losing the ability to enjoy being outside. And then thereâ€™s the community! Goodnight Ranch is built around trails, parks, and green spaces

that invite you out of the house. Add in the everyday convenience, Southpark Meadows around the corner, I-35 just minutes away, and the airport an easy drive away. Convenience is built in, but the community atmosphere makes it feel like more than an address, it feels like home.
