Bremond Walter Jr Resub, Austin, TX

Discover Casa Cuadro, the latest architectural gem from the visionary team at DigsAtx and North Arrow Studio—the same celebrated collaborators behind the award-winning Birdhouse just a few doors down. Completed in 2025, this two-story residence offers 2 bedrooms, 2 bathrooms, and 1,300 square feet of intentional design that balances form, function, and artistry.

From the moment you enter, natural light pours through expansive windows and skylights, illuminating the open floor plan. The main level features soaring ceilings, a spacious living area, and a seamless connection to a low-maintenance xeriscape courtyard. From the stained concrete floors to the ceiling skylights, every detail feels deliberate—loads of clever storage, designer light fixtures, and everything in between.

Upstairs, the private owner's suite provides a serene escape, while thoughtful appointments throughout reveal surprises at every turn. From the vibrant primary bath's tile to the warmth of the custom plywood accents, the interplay of glossy tile, shadow, and light are the stars here.

With its sundial steel-encased windows, timeless stucco construction, and covered carport parking, Casa Cuadro is as practical as it is striking—a modern home that is both quietly bold and simply cool.
