Seaholm Residences, Austin, TX

Behold - a rare gem in the heart of downtown Austin, an extraordinary condo that offers unmatched views, style, and space unlike anything else under \$2.5 million!

This one of a kind residence can easily accommodate 20+ guests without ever feeling crowded. We challenge anyone to find another downtown condo sold in the past five years that rivals this home's combination of livability, layout, and luxury at this price point. The show stopping 900 square foot private balcony surpasses what most penthouses offer, an outdoor space of this scale is truly exceptional.

From the moment you walk in, youâ€™ll be struck by the smart design: an abundance of counter space, ample cabinetry, and an open layout that proves once and for all; it's not about square footage, it's about how you use it. Every inch of this home is outfitted with sleek, modern finishes, and not a detail has been overlooked.

Floor-to-ceiling windows flood the space with natural light and offer stunning views of downtown that will remain unblocked for years to come, thanks to the quiet electrical substation directly across the street. No looming towers popping up overnight, just peace of mind and a lasting view.

Within walking distance, youâ€™ll find the popular Town Lake hike-and-bike trail, along

with countless restaurants to explore. Prefer to host at home? Trader Joe’s is right next door, making it easy to pick up everything you need to prepare a fresh, home-cooked meal for your guests.

Don’t miss your chance to own one of the most unique and sought-after condos in all of Austin, schedule your showing today!
