OWNER FINANCE AVAILABLE! Discover a rare find in Central Austin—a move-in ready home with space, flexibility, and room to grow. Just ten minutes from Downtown, 5010 N Fresco sits in a walkable pocket of North Austin where tree-lined streets meet local coffee shops, markets, and Burnet Road's dining and culture. Easy Mopac access keeps the rest of the city within reach, yet the neighborhood still feels like home.

Built in 2012, this property offers the modern efficiency and low-maintenance living you want, paired with recent updates that make it shine. Fresh kitchen finishes and appliances, all-new LED lighting, ceiling fans, and hardware give the interiors a polished feel. Hardwood and tile flooring flow throughout, while the flexible layout adapts to your needs—a front dining room easily doubles as a home office or playroom, and the open kitchen connects naturally to the main living space for effortless gatherings.

The private primary suite has been transformed with a spa-inspired bathroom featuring a freestanding soaking tub, marble shower, and generous walk-in closet. Outside, the oversized corner lot sets this property apart. Whether you dream of a lush garden, play space, outdoor entertaining, or even adding an ADU for guests or rental income, you'll find the canvas ready. Covered tiled patios in both the front and back extend your

living space year-round.

New roof (2023) and freeze-resistant PEX plumbing give added peace of mind, while the location keeps you connected to everything Austin has to offer. To help you imagine the possibilities, weâ€™ve included digital renderings that showcase different furniture layouts, an updated exterior paint scheme, and even a concept for an ADUâ€”showing just how versatile both the home and lot can be.
