Located in the desired Northwest Balcones neighborhood and zoned to top-rated Round Rock ISD schools, it offers a rare blend of tranquility, style, and convenience. The curb appeal is evident from the start—from the well-kept landscaping to the inviting front porch. The 2-car garage has extra space and added storage, adding function to the style. Inside an open concept combines the living dining and kitchen spaces with wide plank wood floors, natural light and black-framed windows that frame lush green views in every direction. The impressive kitchen features, quartz countertops, a large center island, custom cabinets and a cozy breakfast nook. Upstairs, the spacious primary suite offers 2 walk-in closets, an ensuite and a private balcony. Three more bedrooms and two additional full baths offer flexibility. And then there's the flex room—an incredible space with vaulted beamed ceilings and walls of windows that make it feel like your very own treehouse. Step outside and the magic continues. The backyard is made for entertaining—with a large deck and patio,

built-in benches and tables, a charming fountain, a cozy fire pit, and the kind of shade that only towering oaks can provide. Whether youâ€™re entertaining friends or enjoying a quiet evening with family, this outdoor space is as inviting as the home itself.
