Balcones West, Austin, TX

This home and property have never been for sale before! Truly a loved, family home and beautifully maintained, now in an estate sale. 4 bedrooms, 2 1/2 baths and great storage, laundry and a collectors-item fabulous stove. Lots of light, really nice screened in porch, and a lovely yard that looks out to the extra lot that the family bought when the next street was subdivided. They gardened there and loved the privacy and shade of all the trees. Bring your imagination and design ideas! With a renovation and reimagining the home it can be enjoyed for years to come. And maybe build on the extra lot, create a family compound or anything you can dream of!
