MLS® #5342989

\$999,000

4 Bedroom, 4.00 Bathroom, 2,617 sqft

Residential on 0.26 Acres

Hill, Austin, TX

Pre-Inspection available, turnkey opportunity. A rare 1948 bungalow beautifully reimaged by Jobe Corral Architects and brought to life by Texas Construction Company. They preserved the soul of the original while layering in thoughtful luxury—high ceilings, warm wood floors, and glorious Austin sunlight pouring through every window.

The kitchen is the beating heart of the home, built for connection. Think polished quartzite island, Jenn Air appliances, custom cabinets with laid-back open shelving, and Cle tile that adds just the right spark. Every window frames a moment—looking out onto a deck and lush outdoor spaces just waiting for your next gathering.

Downstairs, youâ€™ll find two generous bedrooms, each with its own ensuite bath and ample closet space. A cozy media room, tucked-away office, actual laundry room (hallelujah!), hidden storage, and a powder bath so pretty it deserves its own moment. Upstairs, a sun-filled loft sets the stage for whatever you need—a yoga nook, reading retreat, or creative corner. Then thereâ€™s the dreamy primary suite: vaulted, beamed ceilings, dual walk-in closets, double vanities, and a spa-like wet room with walk-in shower that makes morning routines feel like self-care.

The large lot is unique for the area, with over a quarter acre to stretch out, entertain, or build

that pool you’ve always wanted. Maybe even a charming casita. Jasmine blooming, iced tea in hand—you get the picture. The home is dialed in with solar panels, a tankless water heater, and a rainwater collection system, all seamlessly integrated.

And let’s not forget location. You’re wrapped in the best of Austin: North Loop’s charm, Hyde Park’s trees, Cherrywood’s soul, and Mueller’s energy. With downtown, UT, the Domain, and the airport all within reach—it’s not just convenient, it’s the center of everything.

Built in 1948
