Foundry, Austin, TX

Tucked into the architect-designed Foundry Residences, this incredible unit offers more than just a place to live. It's part of a low-key, high-design community of only 17 homes, with a focus on quality construction, clean lines, and thoughtful modern touches that make everyday living feel anything but ordinary. Inside, you'll find bold 11-foot floor-to-ceiling windows that stretch across the living space and pull in the dreamiest natural light. Exposed concrete ceilings, industrial-style accents and refined finishes tell a story of style, substance, and serious attention to detail. The kitchen is refreshingly designed, featuring white cabinetry, a built-in dining ledge, and premium stainless appliances. The bedroom opens directly onto a spacious private terrace that overlooks the courtyard, giving you a quiet corner of the city to call your own. The bathroom feels like a boutique hotel, complete with a dual vanity, a soaking tub/shower, and built-in cubbies for towels, candles, or whatever else you want within arm's reach. There's also a laundry closet in the unit! Enjoy an assigned parking space in the gated garage (wired for an EV charger!), along with 24 hour security and access to the community fitness center. Foundry sits in the center of East Austin's most electric zone—right in the Plaza Saltillo District, where old-school Eastside character mixes with new-school energy. Grab mezcal cocktails down the block, check out a pop-up art show, load up on fresh produce at Whole

Foods or head a few blocks west and youâ€™re already downtown. The train stops nearby, too! If you're into design-forward spaces, walkable neighborhoods, and a home that still feels comfortable, this oneâ€™s worth a serious look.
