Residential on 0.15 Acres

Enchanted Forest, Austin, TX

Welcome to your big and beautiful home base in Austin's best-kept secret Enchanted Forest! Perfectly placed near The Domain, Apple, and 183, this rare 2008 build serves up style, space, and serious energy.

Inside, 3,070 sq ft of smart design makes every day feel like a win. Engineered hardwoods flow throughout the main floor, leading you from the gorgeous granite-topped kitchen featuring a huge island, built-in hutch, smart stainless steel appliances, and rich maple cabinetry into expansive living spaces wired for surround sound. Craving more? Two staircases connect you to an oversized game room, an epic media room (also wired for sound!), and a layout that lets everyone spread out in the best way.

With 4 bedrooms, 3.5 baths, a downstairs office/flex room, and a second ensuite upstairs, there's a space for everyone. The primary suite is a retreat, complete with granite counters, a jetted tub, and a walk-in shower with a granite seat.

Outside, the covered patio with a built-in gas hookup makes outdoor living effortless, while the fully insulated garage and brand-new smart opener keep your gear (and your ride) comfortable year-round. Major upgrades like a new roof and gutters (December 2024!) deliver peace of mind. It feels like you're tucked way off the map but the best of Austin is right at your doorstep. Cruise onto Parmer, Mopac, or 183 in minutes, or wander over to Yett Creek Park
