Investor Special: Seller Owner-Financed, Cash-Flowing Gem in Austin, TX 78744! Secure this prime Austin property through a seller owner-financing deal with a negotiable down payment, preserving your capital compared to bank loans requiring 20% or more. A tenant in place through July 2026 generates market rents, exceeding the monthly payment (including a small loan processing fee) for a wraparound loan covering the existing mortgage (reducing significantly by 2030). The purchase difference is deferred 5 years with no monthly interest payments, requiring a single balloon payment in July 2030. Austin's booming market could drive the property's value well above the total owed, offering high ROI potential. TREC contracts will be used/required, and closing will be handled by the Ceshker Group, a trusted local title company specializing in wraparound loans. Contact the seller/agent for tenant details and to lock in this cash-flowing opportunity! Note: Subject-to transaction with due-on-sale risk; buyer pays some closing costs; verify terms with an attorney.
