MID-CENTURY MODERN W/POOL IN

ALLANDALE! This large 1-story home was remodeled down to the studs in 2007. At that time, a new primary suite was added along with a pool! The home has a large covered Trek-style deck in the back overlooking the bright blue pool! Enjoy great privacy in the back yard with the high wood privacy fences. The home has some original finishes like the natural woodwork and exposed brickwork inside. The large-island kitchen was completely re-done during the remodel. The home has a sectioned off dog-run in the back yard. You'll love the primary suite in the back of the house overlooking the pool with tons of natural light and a large bathroom. There are two primary closets. This house has a large storage closet off the hallway as well as additional storage inside the large laundry room. The metal roof is durable and looks great!
