Residential on 0.18 Acres

Greens Sec 02, Great Hills, Austin, TX

With expansive hill country views from the front and serene golf course sunsets from the back, this custom-built home stands out with its modern stucco facade and thoughtful three-level design. Twenty years newer than neighboring homes, it boasts exceptional curb appeal and natural light throughout. Large picture windows and glass doors brighten every room, while mature oaks and professional landscaping create a lush, shaded canopy in both front and backyards. Enjoy direct access to the golf course through a gated fence, as well as beautifully maintained gardens and an irrigation system. Inside, the open floor plan offers flexibility and flow. The spacious primary suite features two walk-in closets and shares the second level with the laundry room, game room, and additional bedrooms. A guest suite with full bath on the main level adds privacy for visitors or work-from-home flexibility. Recent upgrades include full interior repainting and deep carpet cleaning (June 2025), a new Lennox HVAC system (May 2024), and a newer water heater and air handler coil. Located on a quiet, private street with lush vegetation and low HOA fees, this home provides quick access to the Arboretum, Domain, and major highways like 183, 360, and Mopacâ€”putting everything you need within a short drive while still offering the peace and space of a hillside retreat.
