Harris Park Add, Austin, TX

Originally built in 1939, this exquisite Mission-style stucco residence was masterfully reimaged in 2020. A meticulous down-to-the-studs renovation blends timeless architecture with sophisticated modern design. Walls of steel windows flood natural light into the inviting entryway and the gracious living room. A richly appointed dining room with cozy built-in banquette leads you past the guest bedroom and full bath toward the heart of the home: an impressive chef’s kitchen and scullery. The primary suite is a true retreat, offering private access to the screened porch nestled beneath a majestic heritage Oak. The spa-like en-suite bathroom features modern finishes, a walk-in shower, and a luxurious Japanese soaking tub with heated walls.
