REFLECTIONS OF WALNUT RIDGE, Austin, TX

This updated North Austin condo combines stylish modern finishes with a hard-to-beat location nestled between downtown and The Domain. Thoughtful upgrades and a connected, free-flowing layout make it a standout choice for comfortable living or entertaining.

The kitchen, though compact in size, makes a bold statement with tall white cabinetry, sleek quartz countertops, and stainless steel appliances. A white subway tile backsplash and recessed lighting elevate the bright, airy feel, while the eat-in bar with countertop overhang offers a perfect perch for casual meals or morning coffee. Open sightlines extend through the dining area—complete with custom shelving—and into the sunken living room, where a striking fireplace with geometric trim serves as a stylish focal point. Large sliding glass doors let in abundant natural light and lead to a private, fenced patio—ideal for relaxing or hosting friends.

Upstairs, you™ll find two generously sized bedrooms, each with its own en suite bath and ample closet space. The primary bathroom features a crisp, modern design with a white vanity, matte black fixtures, and white subway tile accented by dark grout. Floating shelves add both function and flair.

Additional updates include luxury vinyl plank

flooring, fresh paint, and new light fixtures throughout. The HOA takes care of exterior maintenance and common areas, allowing for truly low-maintenance living. With quick access to I-35 & 183, you're moments from top employers, local dining, and endless shoppingâ€”making this location as convenient as it is connected.
