4 Bedroom, 2.00 Bathroom, 1,485 sqft

Residential on 0.20 Acres

Allandale Park Sec 05, Austin, TX

Located in Allandale, one of Austin's much-loved established neighborhoods, this 4 bedroom, 2 bath home is just up the street from Northwest Park and Pool, and walking distance to Burnet Rd hotspots, including Tumble 22, Tacodeli, Juiceland, El Mercado and so many more! The trip to downtown is easy with Mopac highly accessible from this location. You have the advantage of a quiet neighborhood with the convenience of urban living. There is a beautiful tree that shades the front of the home, with a spacious backyard. The backyard trees are well spaced if you decide to build an add-on. The buyer will likely want to update, but the home has a nicely laid out space with 4 beds and 2 baths. The seller is offering an allowance for carpet replacement in the bedrooms, while the rest of the flooring is a stained concrete. The kitchen is efficiently laid out with updated glass front cabinets and slate tile countertops, as well as a pantry closet. There is a good layout and ample room to expand the kitchen when you are ready to make changes. With an entry foyer, a formal living room and a large family room space there is versatility in how you use the communal living spaces. The primary living space has an original raised hearth wood-burning fireplace that provides a beautiful focal point for the room. The primary bedroom has an attached updated bath. Remodel the current home either just sprucing up or adding square footage, with ARVs well above 900k, or teardown and build new luxury

unit (buyer to verify feasibility of any future plans).
