Little Midland, Burnet, TX

310 and 314 Little Midland Drive is a legacy property that epitomizes luxury lakefront living and privacy in the Texas Hill Country. Perched upon Lake Buchanan, one of Texas' largest lakes, and boasting 962' of open waterfront living on 5 privately gated acres sits a family compound that has been manicured meticulously to provide the owners a park like setting for their family and friends. This property has been enjoyed by the same family for over 30 years, and is a rare opportunity for a buyer to own a lakeside legacy property in the Texas Hill Country. A newly constructed primary residence was completed in 2022, and designed by legendary architect Francois Levy. The primary home features two master suites, with full bathrooms, TV room with a pull-out King bed, and bathroom. A large open floor plan is perfect for entertaining, and outdoor areas feature the beautiful screened porch, with a large wood burning fireplace overlooking the manicured yard and Lake Buchanan.
