****This is an improved vacant lot with existing plans - no structure is on the property. The cost of building the house is not included.****

Escape to the serenity of Lake Travis with this extraordinary 1.085-acre waterfront property offering the perfect balance of privacy, nature, and potential. Framed by majestic oaks and west-facing sunset views, this rare lot features a gentle slope to the water rather than the typical cliffside lots. The property has electricity, septic, well, concrete driveway, RV pad, walking paths and terraced landscaping. Over \$150,000 in premium improvements have been added recently including a new well, 2,015-gallon galvanized water tank, and a floating dock. Architectural plans and renderings are available and thoughtfully designed to maximize the natural beauty and potential of the lot. It is located just 10 minutes from premier shopping and dining—including The Oasis, H-E-B, and Target and feeds into the highly acclaimed Leander ISD (Vandegrift High School). Adjacent parcels totaling ~5 acres may also be available for those seeking more space or future development. The dock is negotiable with purchase. Seller financing available. This is an incredible opportunity to build a private luxury estate, weekend retreat, or investment opportunity - schedule a tour today!
