MLS® #5502959

\$999,950

3 Bedroom, 3.00 Bathroom, 2,754 sqft

Single-Family on 0.50 Acres

Lago Vista Sec 01, Lago Vista, TX

Step inside to a split-level entry. Up leads to the main level open great room with Lake Travis View. Corner fireplace, high ceiling, wood floors, and fresh interior paint. Open kitchen with island and serving bar and open dining space both enjoy the lake and park view.

The primary suite is on the right side of the main level. Views toward the lake through a huge old oak tree set a relaxing tone. And the door invites you out to the covered deck for morning coffee. There are two walk-in closets and a five piece ensuite bath.

Also on the main level are a guest full bath and guest bedroom.

The lower level is so versatile! There is another guest bedroom and full bath. A fourth bedroom could be enclosed, leaving a large second living space. The builder opted to leave it open to provide space for a large art studio. Of course, this space could be used in many other ways.

There is a small home office space. And a large room that could be your home gym or workshop behind the spacious 2-car garage. There is a beautiful covered patio on this level that enjoys views of the back yard and park. You'll even get a peek at the lake when it's full. Steps lead down into the nature-scaped back yard. Walk back along the pathway past the large fig tree. There is an inviting swing just a few steps before you cross over into the Bar-K Property Owners Waterfront Park and Marina - giving you an effectively lake front back yard.

There is an extra parking space alongside the garage and a nice front garden patio area with planter and a fountain waterfall.

The side yard features a 12x12 storage building.
